

DELTA DWQ300350 Reverse Osmosis Pre-Filter, 5.19 in L 2.13 in W 2.13 in H, Plastic, Import

In: [Products](#) > [Water Filters & Dispensers](#) > [Water Filtering Parts & Hardware](#) > [Replacement Water Filters & Cartridges](#) > [D0994](#)

By: **DELTA®**

Details

Locke Part #: **D0994**
Mfg. Part #: **DWQ300350**
Brand: **DELTA®**

Features

BEST-IN-CLASS TECH - Clarifi Pre-Filter minimizes system clogging and enhances efficiency
FILTER CHANGE ALERTS - Indicator lights and audible alerts help you track filter life and know when a filter needs to be changed
MULTI-STAGE FILTRATION - System provides 6 filtration stages using 3 included cartridges, the Pre-Filter, Reverse Osmosis Filter and Carbon Filter
Optional 7th stage uses a Clarifi Remineralizer Cartridge to replace taste-enhancing minerals removed during the normal RO process
VIDEO TUTORIALS - Find more information in the included user guide, M&I, and Delta Faucets YouTube

Attributes

Diameter: **1-1/2 in**
Domestic/Import: **Import**
Height: **2.13 in**
Length: **5.19 in**
Material: **Plastic**
Type: **Reverse**
Width: **2.13 in**
