

3M 054007-06165 Linerless Electrical Tape, 3/4 in W x 15 ft L, 30 mil THK, Black

Details

Locke Part #: **P0099**
Mfg. Part #: **054007-06165**
Manufacturer: **3M**

Features

Linerless, self-bonding, insulating tape
Flame retardant
Physical and electrical properties unaffected by degree of stretch
Uniform tape unwind from roll
Five year shelf-life
Stable over wide application temperature range
Weather resistant

Attributes

Adhesive Material: **Rubber**
Application: **Splicing, Jacketing and General Insulating**
Backing Material: **Ethylene Propylene Rubber**
Color: **Black**
Country of Origin: **USA**
Dielectric Strength: **750 V/mil**
Length: **15**
Mfg Standards/Approvals: **ASTMD4325 Type I, II and III, HH-I-553C, RoHS 2011/65/EU Compliant**
Package Height: **6.6**
Package Length: **6.6**
Package Weight: **5.6**
Package Width: **6.0**
Temperature Rating: **194**
Tensile Strength: **250**
Thickness: **30**
Type: **Linerless**
Width: **3/4**
