

Lithonia Lighting GT4 MV Contractor Select 2 ft x 4 ft General Purpose Indoor Troffer, T8 Medium Fluorescent Lamp, 128 W Fixture

Details

Locke Part #: P5331
Mfg. Part #: GT4 MV
Manufacturer: Lithonia Lighting

Features

Recessed lensed fixture for grid T-bar ceilings
Lighter weight fixture allows for safe, easy installation
Standard steel door frame has superior structural integrity with premium extruded appearance and precision flush mitered corners, steel door allows easy lens replacement without frame disassembly
Powder painted, steel latches provide easy, secure door closure
Thermally protected, resetting, class-P, HPF, non-PCB ballast
Full light output reduced energy, less than 10% total harmonic distortion, multi-volt operation
Mechanical light seal to seal vacuum without foam gasketing
Smooth hemmed sides prevent injuries and offers secure installation during handling the troffers
Troffer has 100% acrylic lens that produces prisms pattern to offer optimized performance
2 x 4 troffer
Five-stage iron phosphate pre-treatment ensures superior paint adhesion and rust resistance
Painted parts finished with high gloss, baked white enamel
