

## 1/2 NOM COMP X 3/8 OD X 1/4 OD OFFSET 180 RGH

### Details

Locke Part #: B0448  
Mfg. Part #: CR1900DVSXR  
Manufacturer: BrassCraft Mfg Co

### Features

Independent flow control. Dual outlet, dual shut-off operation permits you to shut-off water flow to one fixture while maintaining water flow to another fixture  
Code approved replacement where separate shut-offs are required for two lines, Knurled oval handle provides a secure grip and smooth on/off operation  
Straight inlet to outlet design (same-side outlets) is great for installations in tight spaces  
Machined one-piece brass body provides strength, durability, and long-lasting performance  
For use with water in accessible locations only.  
Easy-to-remove handle with screw attachment protects accidental stop operation during rough-ins  
100% compliant product available,  
Not intended for recirculating systems that produce continuous use temperatures above 115 F.
