

1/2 NOM COMP X 3/8 OD X 1/4 OD OFFSET 180 RGH

Details

Locke Part #: B0448
Mfg. Part #: CR1900DVSXR
Manufacturer: BrassCraft Mfg Co

Features

Independent flow control. Dual outlet, dual shut-off operation permits you to shut-off water flow to one fixture while maintaining water flow to another fixture
Code approved replacement where separate shut-offs are required for two lines, Knurled oval handle provides a secure grip and smooth on/off operation
Straight inlet to outlet design (same-side outlets) is great for installations in tight spaces
Machined one-piece brass body provides strength, durability, and long-lasting performance
For use with water in accessible locations only.
Easy-to-remove handle with screw attachment protects accidental stop operation during rough-ins
100% compliant product available,
Not intended for recirculating systems that produce continuous use temperatures above 115 F.
