

Apollo 36ELF-125-01T Double Union Lead Free Pressure Reducing Valve, 1 in, FNPT, 15 to 75 psi, Bronze Body

Details

Locke Part #: M1482
Mfg. Part #: 36ELF-125-01T
Manufacturer: Apollo Conbraco

Features

Balanced piston design
Stainless steel adjusting screw and nut
Sealed cage for vault installations
Built-in thermal expansion bypass
Factory tested and preset at 60 psi
Modular seat disc and strainer cartridge
Large area integral stainless steel strainer
High flow high efficiency design

Attributes

Body Material: Bronze
Country of Origin: US
Dimensions: 6 in H x 5.75 in W
Domestic/Import: Domestic
End Style: FNPT
Mfg Standards/Approvals: NSF/ANSI 372, ASSE 1003, CSAB356, IAPMO, UPC, cCSAus Certified, ISO 9001:2008
Nominal Size: 1
Package Weight: 2.86
Pressure Range: 15 to 75
Series: 36ELF
Softgoods Material: EPDM O-Ring
Temperature Rating: 33 to 180
Trim Material: EPDM/Stainless Steel
Type: Double Union Lead Free
Warranty: 5 Years
