Company Profile

TayMac Corporation has been a market leader in indoor and outdoor electrical products for over 20 years. We are headquartered in Gilbert, Arizona, with international offices in China. Our product line includes specification grade commercial and residential weatherproof-while-in-use lines of safety outlet enclosures as well as a complete line of outdoor weatherproof products. All of our products are designed and tested to meet or exceed UL, ETL, OSHA and/or NEC requirements.

Since the beginning, we have emphasized innovation in product design. This focus has kept us on the cutting edge of new product development. Every year we introduce new and unique products to the industry and we currently have over 170 patents and patents pending. We also custom manufacture products to meet exact specifications.

TayMac Corporation has an established national distribution channel in the retail and wholesale of our entire product line through electrical supply stores, national electrical products companies, garden and pool stores, and all major home centers.

Privacy Statement

TayMac respects the privacy and confidentiality of individuals who visit this site. TayMac may request the visitor's name and contact information in order to respond to certain inquiries and requests, however TayMac will not sell or otherwise transfer or disclose personal information to third parties not affiliated with TayMac without prior consent (except as required by law, such as a court-ordered subpoena, search warrant, or other court order, or required by exigent circumstances). TayMac will never disclose your name, e-mail address, street address or phone number to third parties not affiliated with TayMac without your consent.

Mission Statement

TayMac is a quality manufacturer of innovative electrical products, dedicated to meeting and exceeding the standards of the electrical distribution industry. Understanding and respecting our customers needs has allowed us to constantly reinvent ourselves and our product line, providing consumers with new and improved products that are safer, smarter, and better.

Warranty Terms

TayMac guarantees every product sold for life. If any of our products fail from a manufacturers defect at any time during the life of the product we will replace it absolutely free. Our products have an anticipated average rated life. Please refer to individual product packaging for life expectancy, or ask your sales representative for details.
